Demonstration by Bob Chapman

In May we had a visit from Bob Chapman—a local professional turner. Bob demonstrated how to make a Singapore ball, using a variety of techniques. Bob showed us how to construct a home-made sphere-turning jig and a vacuum chuck from easy-to-obtain materials. Bob also showed a number of items which sell well at craft fairs.

PASSER BY:

Ye who pass by and would raise your hand
 Against me, harken ere you harm me,
 I am the heat of your hearth on the cold winter nights.
 I am the friendly shade which you find when
 you walk in the August sun.
 My fruit quenches your thirst on the road.
 I am the beam that holds your house,
 the board on your table,
 the bed on which you repose
 and the wood of your boat.
 I am the handle of your spade
 the door of your dwelling
 the wood of your cradle
 the shell of your coffin.
 I am the bread of kindness and
 the flower of beauty.
 Ye who pass by,
 Listen to my prayer
 Harm me not!
